...TO JOIN THE 2017  
BSC.SOC  
INTRO PROGRAM!

## Dear new BSc. (Soc.) student – aka. Soc'er

A warm welcome from all of us to all of you! You finally made it! Soon you will start your studies at **Bsc(Soc.) - Business Administration and Sociology**, see many new and friendly faces and commence a whole new chapter of your life.

We, the BSc(Soc.) intro tutor team, are the people that will guide you through this very hectic but thrilling start at BSc(Soc.) and at CBS. We have organized several introductory days with lots of fun activities, combined with an exclusive cabin crusade, which we hope you will participate in. All 13 of us are at least 2nd-year CBS students and we are all committed to providing you with an amazing experience. Just like you, we are extremely excited to meet our 70 new Soc'er friends!

We have written this BSc(Soc.) Welcome Guide as a short student-to-student guide to the intro program, where to be and what to bring! Should you, however, not find satisfying answers to your questions in the Welcome Guide, please do not hesitate to ask us. In the back you can find contact information for each of us and we will gladly help you to the best of our abilities.

We can't wait to see you!

## Intro Program '17

**NB!** Be sure to join the Facebook group: “BSc(Soc.)'17”. You can also find relevant information and documents on: <http://bscsocintro.dk/>

## 16th of August: **WELCOME EVERYBODY!**

Time: 10:00-16:00

Location: Ks48 (Kilen)

Your first day at CBS will start off with an introduction to a group of your fellow students at different locations around the Frederiksberg Garden near campus\*.

Later you will meet the entire intro team and get a chance to get to know all your new fellow students.

We will arrange lunch for the first day.

After lunch the Programme Director, Brooke Harrington, will welcome you all to Soc and give a short presentation on its framework, opportunities and future prospects.

We will end our day at our Campus Bar, Nexus, at around 16:00 where we will grab some refreshments and socialize some more.

\*We will upload a PDF file containing the group allocations for the first day as soon as we have the complete list of new students. The meeting places and allocated tutors are preliminarily listed later in this guide.

## **17<sup>th</sup> of August: BSc. SOC.**

Time: 09:00- 16:00

Location: Ks48 (Kilen)

Tutors will be stationed around the CBS campus area and guide you to the right room.

Today the intro team has planned a special programme. You and your fellow students will start the process of distilling your expectations of the program, CBS and being a student.

We will then have presentations by tutors regarding what to expect from the first semester at Soc. You will meet the instructors from the first four classes, as they come and give presentations on each their subject. This will be followed by a BSc.Soc. Alumni session, in which previous Soc'ers will come and present their experience at Soc and post-graduation.

This will be concluded by self-catered lunch.

We will then head towards the city centre where we will have an adventurous race around Copenhagen. This will serve as an introduction to Copenhagen and a fun day of socialising for everyone.

The programme ends with fun and games in Kongens Have – the Royal Gardens in the city centre.

# **18<sup>th</sup> of August: COPENHAGEN BUSINESS SCHOOL**

Time: 09:00- 16:00

Location: Ks48 (Kilen)

**Please remember cash or food for lunch.**

We will start our day by exploring CBS and its different campuses through the infamous 'Tour de CBS'.

After having seen the different CBS campuses and what they have to offer, we have a fun competition planned, in which you will uncover and solve a great mystery that took place during the tour of CBS.

As CBS has a diverse and colorful student life to offer, we will have a couple of the student organizations come by and provide insight on what it is like to be part of the many organizations at CBS.

This will include a presentation by CBS Students; the organization representing every and all students at CBS, entirely run by students.

Don't think that the day is over just because the program is though...

## 21<sup>st</sup> to 24<sup>th</sup> of August: CABIN CRUSADE

The idea behind the cabin trip is to get to know each other socially and academically, in an amazingly fun and exciting environment.

The **THREE GROUPS** with the best case answers for the CBS Responsibility Day Case Challenge will present in front of a jury and have the opportunity to win cool prizes.

# Travelling to and from CBS

Do I get my own private driver? Not exactly, but all of the CBS campuses are easily accessible by public transport or by bike.

## Bicycle

Should you completely lack trust in the public transportation system of Copenhagen or are you a caring soul wanting to spare the environment from pollution, one thing is for sure - the best way to get to and from CBS is by bike!

## Bicycle Parking

Solbjerg Plads: Outdoor parking at both ends of the building.

Porcelænshaven: Indoor parking in the basement, accessed via the courtyard

Dalgas Have: Outdoor parking behind the building by the parking lot

Kilen: Outdoor parking by both entrances of the building

## Metro

If you arrive from Amager or from the suburbs by S-train, the best way is to get on the Metro at Nørreport. The Metro will take you to practically all CBS campuses. Here are the closest Metro stops:

Porcelænshaven (PH) and Kilen (K): "Fasanvej" station.

Solbjerg Plads (SP): "Frederiksberg" station

For Dalgas Have (DH): "Lindevang" station

## Bus Connections

The easiest way to navigate the different bus-lines in Copenhagen is to go to [www.rejseplanen.dk](http://www.rejseplanen.dk). In the top right-hand corner of the website, there is an English version available. You can also download the app.

## Car

CBS offers parking lots at all the main buildings, although they are often crowded. Parking lots that are owned by CBS are free of charge, but be sure to make notice of the rules for the exact parking lot you are using, or a police officer look-a-like parking inspector will rip you of your money!
